Assembly:

- Make sure that you have plenty of space and a clean, dry area for assembly.
- Due to the size of this product we recommend that it is assembled in the room intended for use.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent scratching.
- Check the parts and fittings received to ensure you have everything listed.
- To avoid the risk of suffocation to children and animals, dispose of plastic bags immediately.
- Keep all fittings out of the reach of children during assembly.
- Do not use power tools to construct this product, as their use could make the product unsafe and will invalidate the warranty.
- Do not over tighten screws or bolts.
- The fixings should be regularly checked and tightened as necessary.
- If fixings are found to be damaged or missing, they must be replaced before further use of the product.

Safety:

- For domestic and outdoor use only.
- This product should only be used on firm level ground
- If the glass is chipped or broken, stop using the product and consult Furniture 123
- Do not place very hot or very cold items on the glass surface, unless adequately thick table mats are used to prevent such items from coming into contact with the glass
- Do not use glass as a chopping surface.
- Do not stand on your chair.
- Do not sit on the arms of your chair.
- When moving furniture never drag the pieces across the floor, as this will cause damage to the joints

Care and Maintenance:

- When cleaning glass panels use a damp cloth with washing up liquid or soft soap if necessary. Do not use washing powders or any other substances containing abrasives since these substances scratch glass panel
- Do not use scourers, abrasives (including washing powders), bleach or solvent based cleaners as they can bleach or damage the product
- Please do not leave your product outside when not in use. During bad weather and winter months the product should be dismantled and stored in a cool dry place. We recommended the use of furniture covers to protect your furniture when not in use.
